ABOUT US

Furnicoart Studio is proudly committed to quality and service. Our unique style is characterized by the variety of materials and finishing techniques we use with a unique blend of exotic woods. With an experienced operation specialized in hand-crafted, old-world looks, you can make sure you are obtaining the best value in hand-crafted, unique pieces.

We offer customized, coordinated and affordable design furniture and accessories. Bespoke because our products can be fitted to the needs and dreams of our customers. Coordinated because we take a holistic approach in the development and design of our product range. Design because we are a design company with our own designers. Affordable because we want to spoil our customers by giving them great value.
